# SEGRA Weekly Updates

SEGRA Weekly Updates will be published every Tuesday through April 17th.

Be Sure to Visit Our [Sample Ballot Page](http://www.segra.us/vote) ([www.segra.us/vote](http://www.segra.us/vote))

Please share it with everyone you know of voting age in Chatham County.

Early Voting has Begun, 14 days till the Georgia Primary Election Day. If you know anyone who is a conservative leaning voter in Chatham County. Please share the [www.segra.us/vote](http://www.segra.us/vote) link with them. Or better yet, print out the ballot and share it with as many people as you can! The suggestions on that page have been researched by our conservative candidate committee. There are many good candidates and a few not so good. Don't guess at this and encourage your friends and neighbors not to guess!

## **Volunteers are needed for 9 polling stations in D6 and 8 in D5.**

*I'm hopeful we can 'staff' parking lots for 2.5 hrs at the opening and closing of polls (6:45a-9:15a ; 3:30p - 6:00p)*

*The plan is to have a chair or small table with bunting and signs to attract attention.*

*Greeters will have a script and instructions.*

*I'm in touch with Billy Wooten who will provide maps outlining 150' perimeter at each polling station prior to 24th.*

*To answer your question: There are 34 slots for full coverage of all polls. That said, it would be great to have more than one volunteer at the busier polls so we don't miss voters on their way to the building.*

*Thank you for your question and help. Anyone interested in volunteering, contact Virginia via email : [vlastner@comcast.net](mailto:vlastner@comcast.net) or cell/text 484-844-0192.*

*Virginia*

# Indoctrination vs Education

Socialists & Communists have infiltrated school systems in the U.S. to indoctrinate, program, groom and control our future generations. CRT, Social Emotional Learning, Gender Bending, erasing Title IX, disrespect for the National Anthem, no prayers allowed, & the 3 "R's" get tossed. Flipping School Boards to return to EDUCATION-more critical NOW than ever before...
